

Up, Up & Away With the PTA!

Who is the PTA?

We are parents, grandparents, teachers, faculty, and staff at Brooker Elementary with one common goal; Enhancing the academic and social development of our students. Here at Brooker, we have an over 30 year record of 100% membership, the longest record in the state of Florida!

Why join the PTA?

Joining the PTA is an opportunity to put your skills and hobbies to good use for a good cause—your child and all children in the school. By getting involved at your child's school, you'll be a part of the solution, helping make positive changes. The PTA plays an important role in fundraising to provide curriculum-based programs, building improvements, and social events - All vital to a school's success. The PTA is a forum for exchanging ideas, you are encouraged to make suggestions. Becoming a member means you have a voice, a vote, in how we spend the funds raised this year. By becoming a member of the PTA, you will be further demonstrating to your child the importance you place on education, as well as volunteerism. The first class in each grade level to reach 100% membership will receive an ice pop party!!!

What will it require of me?

While attendance at our General Meetings is not mandatory, we invite and encourage all member participation. This is where you voice your opinions, learn about volunteer opportunities, and exercise your right to vote. The amount of time you wish to volunteer is entirely up to you, whether you have 1 hour, or 100 hours, there is a spot for everyone. This year, with the cost of everything else going up, the price of membership is being rolled back to \$4 per member.
